

Safe Industries Corporate Office Easley, South Carolina

Safe Industries (SI), a dealer of safety and firefighting equipment, has been serving the Southeast since 2005. Due to their growth, Safe Industries had a need to expand their Corporate Office. They purchased and renovated an old automotive dealership located on Hwy 153 in Easley, South Carolina. Design South Professionals teamed up with Creative Builders to assist SI in their renovating their new facility. The first floor consists 6 open air offices with a spacious, 4 closed offices, a sales area with 8 interaction cubes, a customer waiting area, a show room, break and copy rooms, receiving and storage areas. The second floor consists of two conference rooms, 5 offices, a spacious lobby, an executive office overlooking the lobby below, and a breakroom.
